

Slimming products disclaimer

Fit Queen follows the EU cosmetic regulations and formulates products accordingly.

Product information and other content information on this website or labeling of the product is not intended to diagnose, treat, cure or prevent any disease or medical skin condition.

Information on this website or labeling of the product is not a substitution for professional medical advice, diagnosis, or treatment. Fit Queen does not replace any relationship that exists, or should exist, between you and a medical doctor or other healthcare professional.

By purchasing and using any of our products you acknowledge and agree that the product is used at your own risk. Fit Queen accepts no responsibility or liability for any adverse consequences resulting directly or indirectly from the use of our products. Nor is Fit Queen responsible or liable for any individual reaction caused by a spoiled, destroyed or defective product due to being improperly stored while in customer's possession. Please follow the product's storage instructions carefully.

Prior to using any of our products, remember to carefully read the label, the instructions and follow the appropriate direction for use.

We recommend to test skin products on a small patch of the skin for 24 hours, to test for possible reactions. Discontinue use if a reaction occurs.

If you are not sure about using our products, please consult a medical doctor or healthcare professional.
